### **Description**

My name is Teagan Smith. I am 13 years old; this is my sixth year showing market goats through 4-H. I have three older siblings (all of who showed), and have been around the 4-H and market livestock programs since I was born. I love working with my goats and am excited to be able to sell one of them at this year's Rio Blanco County Fair. In addition to showing livestock, I also play baseball, perform in local theatrical productions, am a member of Student Council, and help my dad on his hunting operations. I love to hunt, fish, work livestock and be involved in leadership activities. Thank you so much for supporting the Junior Livestock Auction at the Rio Blanco

County Fair. Your support of this program, the young people involved, and of me is so appreciated.
