## **Description**

My name is Owen Bird and this is my third and final year showing pigs at the fair. I'm showing and auctioning my gilt Berkshire who I've put a lot of attention into this year. Unfortunately I only fully raised one pig this year due to the other pig passing away back in May. This gave me no choice but to give all the attention to what I had. We've worked very hard to make my last year the best.
