## **Description**

Hi my name is Sadie Childress and I am in 6th grade at Southern Middle School. This is my goat "Romeo". I got Romeo from Briar Patch Acres in Unionville, MD. He was just a week old and he was a bottle baby, he lived in our house for a few months. He was a funny, crazy goat he would run around in the house with a dipper. He is so friendly. We have a good relationship. When he got a couple of months old, I was walking him, and at first, he didn't really like it but got good at it, and now he will stand for me well. He is pretty big for a bottle baby.

I hope this helps you learn about my goat Romeo. I am a member of the Southern Maryland Agriculture Development Commission program (SMADC). I would like to thank my buyers, Wesley Fowler and Giant Food, for purchasing my market goats last year.
