Description

Hi, my name is Alexandra Funchion and I am 9 years old. I currently attend Lothian Elementary School and am in 4th grade. This is my first year in 4H and showing a market steer. My steer, Stuart, is a red and white purebred Hereford born March 10th, 2023.

Stuart has been raised on an open pasture with free choice hay, show cattle feed, and always has a mineral supplement available.

Stuart was purchased in November from Church View Farm in Gambrills, MD as a weaned calf. Since I am a lot younger and smaller than most 4H'ers with a steer, my family decided to purchase a steer calf from a farm known to train all their calves. Tara and Lindsey Jacobs from Church View Farm have helped me throughout the year with training, feeding, and clipping.

Stu is an easy going, calm steer that loves tail rubs! Stu and I went to the Queen Anne's county spring show where we won Novice Showmanship Champion. He has been a lot of fun to work with and I am very excited to head to the county fair soon.

I would love for you to come visit me and Stuart at the fair and hope you consider bidding on him.
