Description

Hello, my name is Tianna Macklin. I am a senior at Legacy High School. I have been showing swine since the beginning of my junior year. I love showing animals not for all the prizes but for the relationships and knowledge, I've built along the way. Being involved in FFA has helped me find who I am as a person and what career path, I'd like to take after I complete high school. This year, I was elected as the 2024-2025 Legacy High FFA Chaplain, which was a huge honor to me. I plan on continuing my education in Agricultural Science. I have currently been accepted to Angelo State University, Wayland Baptist University, Houston Christian University and Texas Tech University. I'm super excited to see what my future holds! Thank you for your time and God Bless!
