Description

My name is Adalynn Cook, I am 11 years old and in 6th grade. This is my second year showing goats and pigs for 4 years. I wanted to try something new last year and show goats, and they are a lot more challenging than pigs, and it has taken a lot of hard work. I enjoy showing because it has helped me learn, grow, and create a strong work ethic and relationships. These will all help me to accomplish my goal to be a livestock judge. This year I have 3 pigs and 3 goats, they require a lot of work and care. I feed them all twice a day and exercise them all daily. They also require hair care and attention to their health. I have learned so much every single year, and I am excited to continue to show in the years to come. My projects are extremely important to me and whether you are bidding or adding on, I am grateful for the continuous support. Thank you all and hope to see you at the show!!!
