Description

Hello, my name is Nathan Griffiths. I am currently a junior at James Madison High School, in North East Independent School District (NEISD). I have raised lambs and swine at Madison over the course of the last 3 years. This year, I have been raising a Chester named Hevy. I look forward to working and being with her daily and enjoy watching her grow into becoming good looking healthy pig. My daily routine includes feeding her in the morning and evening. In the evening I will rinse her off along with walk her. Her current diet consists of feed mixture with supplements to enhance his body and condition. These consist of Linder 865 and Sunglo Explode. I spend about 2 hours per day with my animal. My goal is to have her ready for the San Antonio Rodeo. Hevy's first show on November 15, 2024 she placed 4th. Most recently she showed at Bexar County Junior Livestock Show placing 7th. With my earnings I would put it toward raising and showing more livestock in the future. I really enjoy competing and being a part of the FFA program; it has been a great learning experience.
