**Sex** Doe

### **Description**

Hello, my name is Viviana Anderson and I am currently a junior here apart of the James Madison Agricultural Magnet Science Program. I have participated in various FFA events such as Skills, Homesite Evaluation, Agronomy, and Floriculture. This is my second year showing goats and it has taught me many lessons such as patience, responsibility, leadership, and so much more.

I have also entered the baked goods contest of Ag fair and Floral placing 5th with my Apple Pie and 1st in my category with my floral arrangement. I am always looking for

opportunities to put myself out there and learn new things. With the money I receive from this auction I will put towards my future goat project and possibly other projects I have in mind such as a floral SAE.

I am extremely blessed to be provided with these opportunities and thank you to everyone who chooses to support me!

**Quantity: 1**
