**Description**

Hello! My name is Julia Bradley!

I am 16 years old and l am a Junior at James Madison High School. I started raising goats 2 years ago and this is my first year raising a steer through the James Madison FFA program which has opened up many opportunities for me. I raise a goat named Midge and a Steer named Beaumont (beau)! I spend a lot of time working with these animals & dedicate so much towards them. Beyond animals I participate in many CDEs, LDEs, and SDEs, and find success in all of them :) Along with all of this I am an A Honor student and apart of NHS!

This year has been many things, easy not being one of them, but I am so grateful for everything I have learned along the way. If you had told me just 3 years ago that I would be where I am, I probably would've laughed! As always, any money made from

auction will be put right back into my livestock! Thank you so much for your support! Have a wonderful day and never forget you are loved!! :)
