County Midland

City Midland

Animal Weight (in Pounds) 87

Show Placing 3rd

Sex male

Description

Meet me and my goat Chapo, we have worked very hard to get where we are at spending countless days and nights together, Chapo has a very special personality, and I am very thankful that I was able to be the person to have him and love him. let me tell you about myself, My name is Jasmine Johnson and I am a Senior attending high school and love this program and all of my animals. I have shown for 3 years and I wish I had known and started sooner. I plan to further my career with animals and my dream is to be a Veterinarian. I am also an athlete I play soccer on the varsity team at the high school. I would say I balance soccer and FFA pretty well, I am a first generation FFA member and athlete, so there has been lots of learning along the way for myself with the support of my mom, grandparents, and FFA teachers. I would not change it for the

world. I would have to say I am the first ever in my family and that's what keeps me going. I am very proud of my accomplishments and where I am and can't wait to use what all I have learned in my time in FFA in the real world! I will definitely miss this but I will come back and support future FFA members.
