## **Description**

Hi, my name is Bailey Morcom. I'm a Junior at LHS. I have been showing rabbits since I was 3rd grade. Last year I decided to try showing pigs too, and fell in love with it. I have been a member of Midland 4H since the 3rd grade. I have been a member of LHS FFA since my freshman year. I have been an officer with FFA since my sophomore year. This year I was inducted into the LHS NHS. When I graduate I plan to go to college for animal science and then on to vet school.
