Description

Dear compassionate supporters,

My name is Chloe Garza, I'm a senior this year at James Madison High School and am reaching out to you with a humble request for your generous support in funding my Goat project and helping me save for college to pursue my dream of becoming a Veterinarian and commissioning as an Officer in the United States Air Force. As the eldest of six siblings, working a part-time job and caring for three goats, your donation would make a significant impact on my journey toward achieving these goals. Thank you for your time and consideration.
