Description

I'm Jonathan Alaniz, a sophomore at James Madison High School and a proud FFA member. This is my second year showing sheep and my current project, Chief(a medium wool wether)has taught me discipline and responsibility. Along with FFA, I'm a second-year offensive lineman and a third-year AVID student; preparing for my dream of becoming a veterinarian.

This year, I placed for the first time at the NE Ag Fair and Bexar County Jr. Livestock Show. I also care for my breeding ram, Zeus. Both projects along with helping classmates in the barn, inspire my passion for animals and agriculture.

Funds raised through this auction will directly support my future livestock projects and help me continue pursuing my goals. Thank you for your generosity and for investing in young leaders like me!
