## **Description**

Hi my name is Jolissa Ramos, I am 13 years old. I am an 8th grader at Goddard Junior High. I play softball, basketball and run track. This is my sixth year showing goats. I really enjoy showing and being apart of 4H. Showing goats has taught me a lot about livestock especially feeding and caring for them properly. I will be saving some of the money I earn for college and use some for my new goat next year. Thank you for your support!
