Description

Hi My name is Adalynn Koehl with North China 4H this is my Golden Certified F-1 heifer named Cocoa. This is my first commercial project but I've been showing cattle since I was 5 years old and that's where my love for showing cattle begun. Showing has taught me so much from having patience, be responsible and the value of hard work. I'm eternally grateful that I get to do this wonderful hobby that I truly love.

Support from generous buyers like you help not only aid us in our agriculture pursuits but also strengthens the future of the livestock industry as a whole. I would be truly grateful for your consideration in supporting me and my heifer (Cocoa) at the YMBL auction. With your contribution it will help my journey in agriculture. Again Thank you for your time in considering an investment on all my hard work and the future of agriculture.
