Description

Hey, I'm Nicholas Davis, and I live in Beaumont, Texas. I'm a Junior at Hardin Jefferson High School, a HJ FFA member, and also a member of the Lucky Clover 4H Club in Nome, Texas. My steer's name is Blaze. I've been working with Blaze throughout the year. At first, he was a little fiery, which is why I named him Blaze. But over time, we've really built trust through feeding, grooming, and just spending time together every day.

I really enjoy showing animals. One important lesson I've learned is that you can't give up, even when things don't go as planned or when hard luck strikes.
