### **Description**

Hi, my name is Elisabeth Lundquist , I currently serve as President of my sophomore class and as President of my Brookeland Wildcat 4H club. I am a straight A student and a member of the National Honor Society. I purchased my lamb project approximately 12 months before our prospect show to be able to have them prepared to be able to compete at their prime level. I had the privilege of being able to show for the first time

at the South Texas State Fair and was able to earn the title of Reserve Champion Lamb and also was awarded a buckle for Grand champion senior showmanship. Outside of the barn I also play on the basketball and softball teams at the varsity level for the Brookeland Wildcats. Middlesworth was a lamb I personally selected when my mom and I traveled to Hondo TX. He has been my favorite because of his personality. We made a great pair and had a great season! I would be truly grateful for your support any contribution will be dedicated to helping me to pursue my goals in the agriculture industry.
