Description

This is my **first** time auctioning a show animal, and it has been an incredible experience. From the hard work of raising and preparing my animal to the excitement of the auction itself, I've learned so much throughout the process. Seeing all my dedication pay off and knowing that my efforts have been recognized is truly rewarding. I'm grateful for the support from my family, friends, and buyers who make this experience possible. I can't wait for next year to do it all over again, improve even more, and take on new challenges in the show ring!
