Description

My name is Cason Gates, and I'm 11 years old. I live in Fannett, TX, and attend Hamshire-Fannett Intermediate. I am also a member of the Hamshire-Fannett Jr. FFA. I participate in extracurricular activities such as robotics, UIL, and baseball. This year, I exhibited a pen of broilers and placed 10th. Throughout the year, I learned many valuable skills, including mixing feeds, managing pen temperature, culling birds, and selecting the best ones for the show. The money I receive from this auction will help me buy animals for next year's projects. I would be very grateful for your support, whether by attending the sale, purchasing my animal, or adding money to help with my projects. Thank you for your support!
