Description

Howdy! My name is Kaylee Abercrombie, and I am proud to participate in the Market Broiler Project again this year. In addition to raising and caring for my market broilers, I serve as the Parliamentarian for Lumberton FFA, the President of Kountze Kids 4-H, and a Texas 4-H Poultry Ambassador. These leadership roles have given me valuable skills in teamwork, communication, and responsibility, which I apply to my agricultural projects.

Through the Market Broiler Project, I've learned a great deal about animal husbandry, from feeding and cleaning to ensuring my birds stay healthy and strong. I'm passionate about the poultry industry and the knowledge I'm gaining through this hands-on experience.

I plan on attending Texas A&M University to major in Poultry Science, with a focus on poultry nutrition and agricultural engineering. I am excited to continue my education and pursue a career in the poultry industry, where I hope to contribute to advancing

sustainable practices and innovations in poultry nutrition and agricultural technologies.

Your participation in the auction not only supports my project but also the agricultural community and youth programs that are essential to the future of farming.

Lastly, I want to thank the YMBL for putting together another great livestock show and auction. Your hard work and dedication make these events possible, and I'm grateful for the opportunity to participate.

Thank you for your encouragement and support.
