### **Description**

This is my senior year and my last show to be apart of. I have had the most fun the past 9 years, and now I get to move into a new chapter. Showing was a way to bring my family closer together since my sisters showed as well. This has been a ride and I am excited to see what the future brings.

I ask you to join us at the YMBL auction Thursday April 3rd at 6:00pm or online. All of my earning will be put towards college. Hope to see you there or you can bid or add on online.
