### **Description**

Playboy is a striking light red Hereford steer with a classic, long-bodied build. He holds a special place in Matti's heart as her first show steer in four years of FFA. With a deep passion for raising and training cattle, Matti dedicates all her free time to working with her livestock—feeding, training, and preparing them for competition. Through this experience, she has not only strengthened her skills in showmanship but has also deepened her knowledge of agriculture, making her FFA journey even more rewarding.
