Description

My name is Ella Powell; I am 17 years old and in the 11th grade at Jasper High School. I am a current member of the Jasper FFA Chapter and currently hold the reporter position. This is my fourth year raising meat rabbits. I have spent the past several weeks feeding, watering and working with my rabbits.

I have included a picture of myself with one of my rabbits.

If you choose to buy or add on to my project, I would greatly appreciate it because it will not only help me for my project next year but for my college tuition as well.
