### **Description**

Hello, My name is Brycelyn. I go to Nederland high school and a senior this year. I've been in FFA for 3 years now and it's my last year. It has been so fun raising these rabbits. But it's coming to a end as I will be leaving for college. I have learned so much and will miss showing, but I'm so thankful for all the memories. I want to thank you so much for taking the time to look at my rabbits and place a bid. The money I earn will help with college tuition. Thank you again it's appreciated.

**Quantity:** 1
