Validation Tag or Show reference# CA103329030

County San Joaquin County

City Ripon

Animal Weight (in Pounds) 135

Date of Reported Weight 05/28/2020

Description

Hi, my name is Hailey Knief and I am presently attending Ripon High School. This is my first year participating in FFA, as a freshman. I am currently raising a market lamb that I purchased from the Morino Brothers this past February. My lamb's name is Norman. I have taken a lot of pride in doing this project, and I know for sure that I will be doing this project again next year. From this project, I have learned responsibility and knowledge about raising a market lamb. I have been responsible for making sure the animal is well taken care of, including food, shelter and training. I have gained my knowledge by learning the details of getting my lamb ready to show along with preparing myself for showmanship. The countless hours working with Norman has taught me several valuable qualities such as dedication and perseverance. I really hope to sell my lamb at AgFest. All the proceeds from the sale of my animal will go to my future projects and other educational goals I have for my future. To accomplish this however I will need your support. Thank you in advance for supporting me in this new endeavor!

Quantity: 1
