Description

Hello my name is Bradley Saylor and this is my first year in Stone Ridge Christian FFA. I chose to do a Dairy Replacement Heifer and have enjoyed every second of it. **My heifer is bred to 1H13448 "King Louie" and is daughter of 1H12827 "Ambassador."** Her DAM has a 305 ME of 38,550 pounds. I had been looking forward to selling my Heifer, which I named Dolly, for quite some time already and hope she goes to a nice dairy to produce good milk. Thank you for taking the time to read my bio.
