STEER

Color: Red

Sire: Solid Gold

Dam: Yellow Brandy Dam's Sire: Lovin The Business

I've been excited for this mating since this calf's momma was a baby! We try so hard to make a good red one and this dude has kept me smiling since he hit the dirt. So many incredible pieces put together. He is way good. And red.

So very hard to build a cobra-necked one with this much bone and stoutness.
Come and get him!
