Description

Hello, my name is Angelina Barbuscia and I am from Lodi FFA. I purchased my market hog on February 7, 2020 when he weighed a little over 50lbs. I have done my best to raise my pig in order to get him to meet the guidelines of the San Joaquin AgFest department and have fed a weighted amount in order to get him to come in on the high side. The last time he was weighed was Saturday, May 23, 2020 where he came in at about 227lbs. The final weight to be expected is between 270-280lbs. I hope for another great year with AgFest and hope to get the best for my pig. Thank You.
