Description

I'm Molly Cambra. I am 16 years old and this is my 7th year in 4-H. My Steer name is Cash. I purchased him in October of 2019. He is a Charolais-Angus steer. The sale of my steer will be used for next years fair projects. Thank you so much to our community for the dedication and support of our sale. This year Ag Fest looks different, but I am grateful that we have been able to adjust and will be back in the ring next year.
