Lot 19 wether tag

This is Tag BL 25108 is bred the same way as lot 6. Same genetics as the other two goats we brought to the sale.

His breeding is BL 2115 (unfinished business x try harder) own and is a full sister to BL2119 which produced the grand champion wether doe at the 2024 San Antonio livestock showp

Sire- frank (Morgan livestock)

Don't over look this little guy. This one is cool and up fronted with tons of raw muscle. We see a lot of potential in him. He's a little greener than lot 6 but put on Feed and let him go do big things!!
