### Description

Hi! I am Maddie Candela and this is my first year competing in the senior age division of 4-H. This is my 7th year in 4-H. 4-H is definitely one of the most rewarding parts of my life, each year brings new experiences, challenges, and lessons. This year I am showing a market fryer trio that I have been raising since the beginning of May. I have experimented with adding several new supplements to their feed routine since last year, and it has been fascinating to see how the different minerals impact their growth and overall health.

In addition to raising my fryers, I have also competed in the Premier Exhibitor and Supreme Market Fowl competitions. These test 4-H member's knowledge through written tests, interviews, and more. I am proud to be a member and the secretary of the Grand Drive 4-H Club, where I get to help lead and support my fellow members.

Outside of 4-H, I am a competitive archer working towards earning sponsorships and college scholarships. I love science and I want to attend college and pursue a career in either the medical field or engineering!

Thank you so much for supporting 4-H and FFA exhibitors like me. Your support means the world!
