### **Description**

Billy Bob has been a great pig this year, He was able to get the hang of walking very fast, but always loved to have a stick or something in his mouth when he would go out. I plan on applying anything I get to my college education for next year as I go to finish my welding degree. This is my 9th and final year showing so I would love to go out with a BANG for sure. If you are looking for a great Pig Billy Bob is your pig.
