### **Description**

Hello my name is Tyler Monks and this is my lamb Tiny. I like Tiny a lot because he has been very friendly since the day we brought him home in the backseat of my dad's truck. On just the second day of working with Tiny I was able to set him up with no hands. I took Tiny to a show in Castle Rock this summer, it was a lot of fun. I can't wait to take him to County fair I hope that Tiny and I can beat my sisters.
