County El Paso

City Calhan

Animal Weight (in Pounds) 134

Date of Reported Weight 07/14/2025

Show Placing 5

Sex Wether

Description

My name is Landyn and this is my 4th year in 4-H. This is Pixie Styx, and he has a smiley face marking on his head. He is the first lamb I have bred for on my own. Styx has taught me a lot this year, specifically with time management. I learned how to balance my lamb's needs while taking college classes and practicing with my horses. I look forward to continue growing my breeding program for both my lambs and goats. My favorite part about the lamb project is how quickly my lambs learn to brace and walk with me, I have been blessed with some smart lambs.

Along with my market lamb project, I also participated in the market goat, breeding sheep and goat, producer class for both sheep and goat, and the Horse project. Thank you for your support of my 4-H projects. I hope you consider buying my lamb. Even if you're not looking to purchase an animal, you can still show your support by making an add-on donation. I am very grateful for your support.
