### **Description**

Hello, my name is Ryley Hamacher, and I am a member of the Rural Rustlers 4-H club. This is my 6th year in 4-H showing steers. This year I will be showing my steer Clover. Clover has not always been easy to work, but I have learned that consistency and patience pays off. Clover's favorite things to do are be washed, get scratches, and eat.

In addition to 4-H, I participate in volleyball, basketball, track, and competition softball. I will be going into the 8th grade this fall. My favorite subjects are math and English.

I plan to use the proceeds from Clover's sale for future livestock projects and to add to my college savings account. Thank you for taking the time to view my profile. Your consideration and support of the 4-H program is greatly appreciated.

Thank you again,

Ryley Hamacher
