### **Description**

Hand raised market turkey!

My name is Eli Thomas and I am 13 years old. This is the 4<sup>th</sup> year I have exhibited Market Turkeys at the Elbert County fair, and I really enjoy it! I like taking care of my turkeys and always look forward to the junior market sale. I put in the work! My turkeys are well cared for, happy and ready for your dinner table!!

I hope you might be interested in bidding on my Turkey! You can also consider placing and "add on" to the sale, which benefits the 4H individual, without purchasing the animal.

Thank you for your consideration, I hope to see you at the fair!
