Description

I am raising and selling a market hog. I got a loan of \$900 from F&M Bank to do this project. This is a gult, and she is a dark crossbred. I am keeping her at the Clinton School Farm in Ripon, California. I spend 30 minutes with her in the morning and one hour with her in the evening. Every morning I feed my hog, and every evening I feed, clean the pen, wash my hog, and walk my hog. Every Wednesday I go to the farm and weigh my hog. With that I approxamently spend 47 hours a month cleaning, feeding, and working with my hog.
