Description

My name is Coalten Crowner. I am 17 years old, and I am a part of the Running Creek 4-H club. I have been in 4H for six years. This is my fourth year doing the market bird project. But it is my third year exhibiting turkeys. I have enjoyed doing these projects. They have taught me valuable lessons I will use very soon.

This year I have worked on trying to get the biggest and meatiest birds! I have made an extra effort to make sure that the meat birds had the essentials to grow big. I have done this by making them do an intense exercise program. They love to walk and chase the dogs when I play frisbee with them. I am so excited to take my pen of birds and turkeys to the fair.

Thank you in advance for your support weather it's through bidding on my birds or giving me an add on. This will greatly help with college plans.
