Description

My name is Moriah Hudson. I am 16 years old and have been a proud 4-H member since I was five. Over the past 12 years, 4-H has become a huge part of my life, and I've loved every moment of it. Through this program, I've learned so much in all the projects I've been involved in

This year, I participated in six projects: Market Swine, Breeding Swine, Miniature Horse, Horseless Horse, Foods and Nutrition. This marks my fourth year in the Miniature Horse project, my ninth year in Market Swine, my eighth year in Breeding Swine, and my

ninth year in the Horse project. It's also my second year in both the Horseless Horse and the Foods and Nutrition projects.

This is Walker, he is Duroc cross, and he has been one of my best hogs this year. He has a wonderful personality and was super easy to train. He has been fed with Moormons pig feed all year. I have focused on making sure his carcass score is good. I chose him this year due to his build quality and overall potential. I hope that you bid on and possibly buy my hog this year. Even if you're not looking to purchase an animal, you can still show your support by making an add-on donation. Your support, big or small, makes a meaningful difference, and I am truly grateful for any encouragement you were able to offer. Thank you for your time and consideration.
