### **Description**

My name is Kylie Anderson, I am 18 years old, and have been in 4-H for 10 years. I will be entering my steer, Diesel, in this year's beef market competition, and I am very excited to see what the livestock judge will think on how he has turned out. I have learned so much over the past decade (wow!) and had so many wonderful experiences.

I have absolutely loved raising and showing livestock in 4-H. It has been an amazing adventure and I have learned so much through this program. I love how the livestock projects have allowed me to learn about these animals, how to care for them, and also all of the hard work that it takes. God has truly blessed me with the privilege of participating in 4-H! Thank you for supporting me and other kids through the 4-H program!

**Quantity:** 1294
