EAR TAG# 125

Short Description Aurelius

City Elizabeth

Breed Cross Breed

Description

Hi! My name is Eli Anderson, and I am twelve years old. I am from a family of eight kids (yes, 8 — I am #3 in the order!) and 4H is a large part of the extracurricular activities that our family participates in. Between my big family, homeschooling and 4H, I work hard! I have had so much fun this year raising my show steer, Aurelius (which is Latin for "golden"). This will be my fourth year showing at the auction and my third beef project.

Raising show livestock is so much fun! I have been learning more and more over the years that I have been participating 4H. It has taught me so much and I hope it will

teach me even more next year. It is so much fun doing 4-H and I hope my project does well at fair! Thank you for your time and supporting kids like me!
