County Elbert

EAR TAG# 107

City Kiowa

Breed Crossbred

Description

Meet Maddie, a 12-year-old 4-H member from Kiowa, Colorado, proudly exhibiting her market steer, Fred—a 1,500+ pound yellow steer with a big personality and an even bigger love for scratches behind his leg. This is Maddie's fourth year in 4-H, and she's taken Fred to several spring shows where he consistently placed at the top of his class. Maddie has especially enjoyed bonding with Fred during show prep—he soaks up attention in the grooming chute and always keeps her smiling. Through this project, she's learned that sometimes things don't go exactly as planned in the show world, and she's embraced those moments with maturity and resilience. Maddie is heading into 7th grade at Elbert Schools and also plays volleyball and basketball. She's a social, driven young lady who loves meeting new friends at livestock shows and growing her skills in and out of the ring. Maddie plans to reinvest the proceeds from Fred's sale into future 4-H livestock projects. Thank you for supporting hard-working youth in agriculture—your support makes a lasting difference!
