**Validation Tag or Show reference#** 1484

**County** Merced

**City** Merced

**Animal Weight (in Pounds)** 62

### **Description**

My name is Preston Fontes, I am 19 years old and I just graduated 12th grade from Buhach high school in Atwater. My favorite subject in school is Woodshop and FFA. I have been raising Boer Market Wether goats now for the last four years for my FFA projects for the Merced County fair. My goats name this year is BillyRay. While being involved in FFA I have learned about proper feeding methods for market goats. The proper way to take care of the goats, the anatomy of Boer market goats, as well as proper record keeping and keeping a budget. I have really enjoyed my experiences in FFA over the last 4years being involved and meeting different people throughout the community.

**Quantity:** 1
