### **Description**

This is Wade, a 10-year-old 4-H member from Kiowa, Colorado, proudly showing his 1,300+ pound black steer, Ed. In just his second year in 4-H, Wade has already taken Ed to several spring shows, earning strong placings and great experiences. What Wade loves most about Ed isn't just his show ring presence—though Ed naturally sets up in a perfect profile—but the bond they've built. Ed happily accepts neck hugs from Wade and even gets help leading from Wade's trusty sidekick, his dog Louie. This season, Wade has learned the value of persistence and never giving up, no matter the challenge. Outside the barn, he's an energetic fourth grader at Elbert Schools who enjoys football, basketball, baseball, roping, and, of course, hanging with Louie. Wade plans to use the money from Ed's sale to start saving for college, proudly saying, "I may only be 10, but I'm gonna start saving." Thank you for supporting the next generation of agriculture—your encouragement helps kids like Wade chase big dreams!
