### **Description**

This is my 8th year in 4-H and I love raising turkeys. MT turkey named Lamborghini is 30 pounds and is for sale today! I worked very hard trying to raise a quality meat bird by choosing high quality feed and exercising him often. His is ready for your dinner table to share with friends and family!

I participate in other 4-H events such as various shooting sports and the horse project. I have 2 jobs and am a hard worker. I would appreciate your support by buying my bird or submitting and add-on. Thank you for supporting youth programs!
