Description

Are you tired of bland dinners, boring pets, and total lack of sizzle in your life? WELL SIZZLE NO MORE!

Let me introduce you to the distinguished, the one, the only, Chris P. Bacon. Part friend, part food - all fabulous.

A name well suited for the amount of delicious, juicy, mouth watering bacon you will receive from this fella after his date with the locker plant. With a belly this deep you

may wonder how you will ever be able to eat this much bacon! But rest assured, whether you like your bacon crispy off the skillet, baked, air fried, or sous vide, I promise it will not disappoint.

Chris on a stick? We've got you covered!
Bacon sushi rolls... sure if that's your jam!

He's got the charm, the chops, and enough sizzle to keep your breakfast plates stacked for the next decade.

So whether you're a bacon enthusiast. A ham hoarder, or just someone who appreciates a pig with personality, don't miss your chance to take a piece of Chris P. home.
