City Kiowa

Description

My name is Addison Joest and this is my first year in 4-H showing market turkeys. I picked up 5 turkey poults from Jill's Feed in Elizabeth Colorado on my dad's birthday. They outgrew their brooder box quickly and we moved them into a stall where they grew and grew each week. I am learning how to care for a market animal, how to show them and get ready for fair.

Quantity: 1
