Description

My name is Lucille and I am 11 years old and I want to be a Police Officer when I grow up. This is my third year in 4-H. This is also my third year raising lambs BUT my first year I was able to show and sell a lamb. This year I received Grand Champion Junior Showman in poultry and got a belt buckle! My lamb grew quickly this year. I learned so much about what I should do to have an even better lamb next year. I am excited to try everything I learned and get help from others when I need it. I worked with my lamb everyday this summer and he did really good in the show ring. I fed him Colorado Soy Fancy Sheep. He loved it and was very healthy. I exercised him on the treadmill and he did sprints up my driveway. I will be raising lambs again next year and want to try goats too. Any funds I receive will help fund those projects. Thanks for your consideration.
