Show Placing 1st with both steers

Special Placing Grand Champion Senior Showman

Description

Hi! My name is Troy McWhorter. I am 17 years old and heading into my senior year of high school. I have been in 4H 9 years. I show market steers and market swine.

There are two things I love in this world; cattle and football. If I am not working my cattle, I am practicing, training and playing football.

I will be bringing two steers to the Elbert County Fair this year, Magic Mike and Mario. These will be my final two steers that I will show in 4H. Next year I will be leaving for college midsummer to train and play college football. It is bittersweet to have this part of my life come to an end but also exciting to start college ball in the fall of 2026.

This summer has been a challenge trying to get my steers prepped and prepared for county fair while training for football but I think we are ready to compete.

I will be showing Mike and Mario on Thursday, July 31 at 4 PM. I invite you to come watch....the market steer show is called the "Super Bowl" show of the county fair.

Consider attending the Jr. Market Sale on Saturday, August 2nd to support myself and all the 4Hers selling their livestock. The money from the sale of my animal will help me pay for college. I appreciate your support in my future. See you at the Elbert County Fair.

Quantity: 1355
