### **Description**

My name is Leighton Sutton, and I am 13 years old. This is my 5th year in 4-H, and for all five of those years i've proudly raised market turkeys. This year, I'm showing a beautiful Bronze Breasted turkey- a strong heathy bird that i've worked hard to raise with care, attention and dedication. being apart of 4-H has taught me responsibility, hard work, and how to set and achieve goals. With the money I earn from this sale, I plan to start saving for college education and continue investing in future 4-H projects so I can keep learning and growing. I appreciate your support for local youth and agriculture. Thank you so much for considering a bid on my turkey today!
